## **ORDER RE: CASE MANAGEMENT AND STATUS REPORT**

This matter is currently set for a continued case management conference on September 14, at 2:00 p.m., with an updated case management statement due by September 4, 2015.

In addition to any updates to the required information in the statement, the parties are directed specifically to address the following issues:

However, the Court's records indicate that the status of the following defendants named in Plaintiffs' Fourth Amended Complaint ("4th AC") is not resolved as of the date of this Order:
